RHDG finds a new client partner in City of Elk Grove

September 2009

Riezebos Holzbaur Group (RHDG) has been awarded a contract by the City of Elk Grove for on-call marketing and graphic design services.

RHDG was selected from an applicant pool of over 50 competing agencies, according to City sources. As the City's official creative partner, RHDG will be responsible for work including the graphic design, marketing, layout, and production of various projects such as advertisements, publications, flyers, signage, logos, and media kits.

RHDG was selected by the City of Elk Grove based on the strength of past work, as well as their knowledge, experience, and qualifications demonstrated. We at RHDG are thrilled with the opportunity to work closely with the City of Elk Grove, and look forward to our upcoming projects and relationship.
